

Hello!

I'm Ms. Hussey

Welcome to 4th grade!

I am so excited to be your teacher this year! This will be my third year here at OLMC and what a year it is going to be! This is such an amazing community and we can't wait to see you!

Here's a little about me:

I grew up in California and then headed to Portland OR where I got my degree in Elementary Education. After that I went to Denver, CO where I received my Masters in Social Work! Then, I came back home to CA and haven't looked back! I love to travel and spend time with my family and friends. I also, you will soon find out, love everything that has to do with the ocean! It is my happy place!

This summer I spent a lot of time visiting with family and friends and figuring out ways to make this next year the best ever! I look forward to what this year has in store for us!

See you soon!
